Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, income maintenance programs are administered by counties, except for Milwaukee County, and by tribal governing bodies through contracts with DHS. The Milwaukee County enrollment services unit within DHS (Milwaukee unit) administers income maintenance programs in Milwaukee County. Income maintenance programs are currently specified in the statutes as the Medical Assistance program, including BadgerCare Plus; the food stamp program; and the funeral, burial, and cemetery expenses program under which county departments of social services or human services pay cemetery, funeral, and burial expenses for decedents who, during life, received certain public assistance benefits and whose estates are insufficient to pay those expenses.

This bill requires DHS to establish an income maintenance administration unit (IM unit) in DHS to administer income maintenance programs in all counties. Under this bill, administration of income maintenance programs specifically includes receiving applications, determining eligibility, conducting fraud investigations, implementing error reduction procedures, and recovering overpayment of benefits.

This bill provides that, until the IM unit is prepared to assume income maintenance administration from counties, DHS may continue to delegate income maintenance administrative functions to counties, on a county by county basis. Similarly, under this bill, the Milwaukee unit will continue to administer income maintenance programs for Milwaukee County until the IM unit is prepared to administer income maintenance programs in Milwaukee County. This bill requires that the IM unit administer income maintenance programs for all counties no later than May 1, 2012. The Milwaukee unit is eliminated when the IM unit assumes income maintenance program administration in Milwaukee County or on May 1, 2012, whichever is earlier.

Under current law, DHS administers two programs that provide supplemental payments to individuals who are eligible to receive federal supplemental security income (SSI). The first program provides supplemental cash payments, known as state supplemental payments, to an individual who qualifies for SSI because the individual is elderly, blind, or disabled. The second program, known as the caretaker supplement program, provides additional cash payments to an individual who receives SSI, state supplemental payments, or both, and is a custodial parent of a dependent child. This bill transfers the administration of the state supplemental payment program and the caretaker supplement program to DCF.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
